

Research grants for a stay with German Institutions

Call for Materials Scientists and Engineers at the early stage of their career

The German Federation of Materials Science and Engineering (BV MatWerk) and the German Research Foundation (DFG) call for applications of researchers who wish to stay for 12 months with a German research institution (university, research institute, research centre, etc). This call is open until **June 30, 2009**.

Entitled for this programme are researchers working in the field of Materials Science and Engineering who obtained an advanced degree after January 2007 and are currently affiliated with a **research institution in Europe but outside Germany**.

Applications should include:

- a concise description of the project to be carried out in Germany
- a letter of acceptance of the German host institution
- a detailed CV of the candidate with a list of publications
- two letters of recommendation

Applications are to be sent:

by mail to: **BV MatWerk**
BAM, Dept. V
D-12200 Berlin

by e-mail to: matwerk@bam.de

Applications will be continuously evaluated. Acceptable applications will be approved on a first come first served basis.
