

Dear colleagues

The German Federation of Materials Science and Engineering (BV MatWerk) and the German Research Foundation (DFG) call for applications of young researchers aiming at a 12 month stay in a German institution.

Entitled for this program are young researchers working in the field of Materials Science and Engineering (MSE) who obtained an advanced degree after January 2007 and are currently affiliated with a European research institution or university outside Germany.

The program includes a certain number of grants to cover the expenses in Germany. Candidates should apply before June 30th, 2009. The selection process will be carried out continuously by BV MatWerk and DFG in a first come, first serve basis. During their stay in Germany the participants will be invited for a workshop to be held in Berlin.

Applications should include:

- o a concise description of the project to be carried out in Germany
- o a letter of acceptance of the German host institution
- o a detailed CV of the candidate with a list of publications
- o two recommendation letters

They are to be sent before June 30th, 2009

- o by mail: BV MatWerk - European Young Scientists  
BAM, Dept. V  
D-12200 Berlin
- o by e-mail: matwerk@bam.de

We would be very glad if you could forward this message to potential candidates.

Sincerely yours

Professor Günter Gottstein  
President
